WE KNOW MOVING HOME IS STRESSFUL

This guide will help you to prepare
for everything up to and on the day of
your move.

BEFORE THE MOVE

- Contact us as soon as you decide to move so we can guide you through the whole process
- Need a Mortgage, an Estate Agent or a removal company? We know the best local providers and are happy to recommend them to you
- Notify service providers of your current and new house details and the date of your move
- Buy your boxes and tape and start packing. Label each box with the room you want it to go into in the new house. Don't forget to clear the loft and garage- these always take the longest!
- Book your removal firm and ensure they have full insurance for your belongings
- Redirect your mail with the post office and notify the local authority, bank, dentists, etc of your new address and moving date
- Cancel any services no longer required and rearrange for your new house (milk, papers etc)

MOVING DAY

- Pack the kettle last ready for your first cup in your new home
- Lock all doors and windows
- Leave any paperwork for remaining appliances for new owners
- We will call you to confirm that your move has completed

ENJOY YOUR NEW HOME

Call us as soon as you decide to move so
that we can help you to plan for the big day.
